

Moffatt Township Planning Commission

June 8, 2023

(Copies to Len Mezey, Marion Chard, Andy Morley, Patrick Jedrzejczyk, Ron Vittrow, Stefanie Kernstock & John Hoffman)

Meeting opened at 5:20 PM (late due to Board of Appeals meeting at 5 PM). Pledge stated.

Board members present: Patrick, Len, Marion, Ron. and Andy.

Public Comment: John Hoffman

John read his May report.

He was perturbed with Marion for informing Verizon that they would not need a permit. She stated that she'd handled this same thing many times in the past, therefore there was no need to bother John, since she already knew the answer. An argument ensued and she temporarily left the meeting.

John received a call regarding Brenda Dunn's property. Caller asked if he bought said property, would he be able to build public storage sheds. It's currently zoned agricultural.

Minutes: Marion read the minutes from May 2023. Len approved and Andy seconded. All Ayes.

Old Business: Ron's future signs on M-76 are compliant because only the face of the sign would undergo change. Marion will oversee the public hearing postings to the local newspaper. No need to alter wording on 7-3 because the maps clearly show the right-of-way. Will ask if Don from Lapham can attend the next meeting so he can assist us with the future land-use map and wording in the ordinance. Len made the motion, and Ron supported it. All ayes.

New Business: None

Correspondence: None

Meeting adjourned at 6:32 PM.

Marion J Chard, Secretary
