Board members present: Patrick, Len, Marion, Andy, and Ron

Public in attendance: John Hoffman, Don Hamilton, Judith Hagan, and Chuck Haertel

Public Comment:

Don Hamilton stated that changes made to the ordinance since our last meeting were due to grammatical and spelling errors. Also missing pages are now included. He revisited the section on Wind Energy and its definitions. Stated that after the approval of the ordinance by the board/public hearing, the County has 60 days to approve. He also brought EGLE’s available grants to our attention and will send Marion said link. Marion will post public hearing in the newspaper.

John Hoffman read his April report. He hasn’t heard from the lawyer regarding our blight ordinance enforcement. He asked about illegal signs being posted again at M76 and Jackpine. Informed us that Craig Corona (owner of property on Newberry) passed away.

Minutes: Marion read the minutes from April 2024. Andy approved and Len seconded. All Ayes.

Old Business: The blight and township ordinances will be presented to the next township meeting.

New Business: none

Correspondence: none

Meeting adjourned at 5:47 PM.

Marion J Chard, Secretary
